BLOCK CAPITALS BLOCK CAPITALS

No Member may sponsor an applicant unless he/she has been a Member for a minimum of 2 (TWO) years.

No Member may sponsor an applicant for a Category higher than their own.

The two sponsors must write separate letters confirming that they are personally acquainted with the Candidate, stating how long they have known him and vouching for his qualifications and desirability as a Member. It is important to note that it is an accepted practice in the Club that the Sponsors knowledge of the Candidate should be on a social and personal level and NOT only through a business connection. If, at any time after the acceptance of an Applicant as a Member, it shall appear that such an Applicant has been accepted under a misrepresentation or mistake as to identity or to materially incorrect information as to the individual's character and position having been given, the Captain's Committee shall, within 1 (one) month of such misrepresentation, mistake or information being confirmed, have the right to repeal such Membership.
